HERE'S the POINT

By SPENCE HELD

How did you like the smog Saturday?

That's the first time we've had it in the Peninsula area, as far as I know. However, I've frequently observed a dirty brown smog-bank on the horizon, some miles offshore, and figured it came from L. A.

There ought to be some way of quarantining that monstrosity, the City of Lost Angels, to prevent it from polluting the rest of Southern California. (Pass a law—haw!)

Here we were, 130 miles away, minding our own business in an area free of San Diego's home-grown smog, when freak (I hope) winds betrayed us and poured poisoned air from L.A. into our community.

Authorities agree that two million autos are the principal producers of that smog . . . San Diego, with a similar smog basin, is following the L. A. pattern as more and more subdivisions are built toward the mountains and thousands more cars crowd the highways.

Let's hope for favorable winds, huh?

* * *

Well, it looked foggy across the bay Saturday night and I stayed home and missed probably the best football game of the year. (Fog in the stadium is a miserable thing to contemplate.)

S. D. State and San Jose State played a 27-27 tie, in case you're an average woman and don't read the sports pages.

The Aztec line, with tall 260-pound Bill Ledford looming up like Tom Dahms used to, apparently took no nonsense from the northerners . . . Reminds me of the 27-27 tie with Arizona (Tempe) State at Aztec Bowl in 1951.

San Diego had a tough line that year and, with Skeet Quinlan and Art Preston in the backfield, went through the season undefeated.

In the Tempe game, Preston threw a pass to Quinlan to make it 20-20 and later ran back a kick-off 96 yards to make it 27-27.

The Homecoming game with the Marines Saturday afternoon ought to be worth seeing; this rivalry has endured since 1922 and I don't intend to miss it, come fog, smog, or high water.

High water in '52 caused 'em to postpone the game from Saturday until Monday, as I remember.

Aw, come on, Held, you know it never rains in San Diego.

Oh, yeah?

Candy is dandy ordinarily, but in this case the kids will seek cash donations.

Juniors of Westminster Presbyterian Church School will Trick or Treat for UNICEF Tuesday from 5 to 6 p.m. A party will be given for them afterward at the church.

The primary and junior departments at Point Loma Methodist Church will have a party at 4 p.m. Tuesday and then go out on the same mission from 5 to 6:30.

Jesse Bailey, chairman of the Retail Committee, O. B. Chamber of Commerce, this week announced that a majority of stores in the Ocean Beach Shopping Center will remain open until 9 p.m. every Friday, beginning tomorrow, Oct. 26.

The stores are offering Friday Night Specials from 6 to 9 p.m.

Retail committeemen have checked Friday night specials offered in shopping areas elsewhere in San Diego and are glad to report the Ocean Beach specials are better bargains.

"With these Specials and convenient parking," said Bailey, "there is no need for local Friday night shoppers to go out of the Ocean Beach area."

See advertisement offering Friday Night Specials on Page 7 of this issue of the Peninsula News.

Junior Theatre Offers 'Robin Hood' In Roosevelt Jr. High Auditorium

The story of "Robin Hood" of Sherwood Forest has been dramatized for children, and will be the first offering of the 1956-57 season of the San Diego Junior Theatre, Oct. 27-28 and Nov. 3-4 at 2:30 p.m. in Roosevelt Junior High School Auditorium.

This activity in youth dramatics is sponsored by the City Park and Recreation Department. Jack Donnelly is staging, directing and designing the sets. The sets are being executed by Jack Harrington, executive director of Junior Theatre. Mrs. John R. Reilly, Jr., is director of choreography.

Robert Rankin, 15, of Chula Vista High School, portrays the title role of Robin Hood.

This is the first year Junior Theatre is operating without a sponsor to aid in ticket sales. Under the supervision of President Richard F. Lustig and Jack Harrington, the Junior Theatre executive board, parents, and members have joined forces in the drive to sell 9,600 tickets to insure capacity audiences for the Theatre season.

This is an opportunity to expose yourself and children to an exciting adventure-packed play and also support one of San Diego's growing cultural organizations. Season and single performance tickets are available for "Robin Hood" by calling Junior Theatre headquarters in Balboa Park, BE-4-1447. Reservations are accepted for a group of 10 or more.

Council Approves O. B. Site For Seawater Plant

An Ocean Beach site for an experimental seawater conversion plant has been approved by the City Council.

The 5-acre site is at the end of Bacon St., on a sandy strip south of the flood control channel. This is in the area to be utilized for a large playground as a part of Mission Bay Park, and the O. B. Chamber of Commerce had objected to location of the plant there.

Action of the Council was taken in conference and is not final. However, it was unanimous, indicating the City will go through with the plan to lease the 5-acre site to the U. S. Interior Department for the plant, expected to produce 500 gallons of fresh water daily.

The installation will consist of a series of saucer-shaped concrete slabs covered with glass. Water pumped under the glass will be condensed by the sun's rays shining through the glass.

Willis T. Moran, of the Interior Department, said the plant would not be unsightly.

Pt. Loma Plays El Cajon High Here Tomorrow

Loser to Lincoln last week, Point Loma High School's football team will take on El Cajon High in a non-league game Friday at 2:30 p.m. at the local field.

El Cajon knocked off Chula Vista last week in a Metro League contest and on the basis of its seasonal record is favored to trounce the Pointers.

The locals have lost several players for various reasons and their record to date is four straight defeats.

Lincoln defeated Point Loma 32-0 last Thursday night in Balboa Stadium .

Halloween Carnivals To Be Held Wednesday

Halloween carnivals will be held at elementary schools in the Peninsula area Wednesday Oct. 31.

PTA groups, working with City Schools and the S. D. Park and Recreation Department, have planned the supervised celebrations.

The Ocean Beach carnival will be held indoors at the Community Center from 3 to 9 p.m., featuring game booths sponsored by local organizations. The children's costume parade, sponsored by O. B. Kiwanis Club, will form in the school patio at 7 p.m. and then proceed down Newport Ave., according to Jack Dawson, recreation leader at the Community Center.

Several hundred children are expected to march to the foot of Newport.

A dance "open to everybody" will be held in the O. B. School auditorium from 8 to 11 p.m., Dawson said. An orchestra will provide the music.

Special announcements on carnival plans were made by the Cabrillo, George Dewey and Silver Gate PTA groups.

Dr. and Mrs. Lee Monroe are chairmen for the Cabrillo carnival on the school playground from 5 to 8 p.m. Entertainment will include horseback riding, movies and game booths. A National Guard unit will set up its field kitchen to serve hot food; booths will offer cakes, cookies, popcorn and soft drinks.

At George Dewey the carnival will be held from 5 to 9 p.m. A ham dinner will be served in the school cafeteria. There will be game booths, white elephant booths, weight guessing, fortune telling, a costume parade, and other activities. Mrs. Edwin Rinner is chairman.

At Silver Gate School the hours are 5:30 to 8:30 p.m. The carnival will open with a big bonfire and costume parade. Afterward, hot dogs, beans, salad, coffee and home-made pastries will be served in the cafeteria. Mr. and Mrs. Howard Kennedy are the general chairmen.

Game booths will include basketball toss, beanbag throw, dart game, fish pond, milk bottle, and nail-driving. Also, a puppet show and magic show.

The Park and Recreation Department announced that the carnival at Frontier, 5:30 to 8:30 p.m., will include a costume parade; and the Loma Portal carnival will be from 5:30 to 9.

Sunset View School reported its carnival hours as 5:30 to 9.

The theme of this year's patriotic program is "Songs in our American Way of Life." Students in Stage Design under the direction of Miss Willa B. Brodie have designed and executed appropriate sets. Cal Western 'U' Players To Present Popular Melodrama On 2 Weekends

A new 19th century melodrama, "Gold in the Hills, or the Dead Sister's Secret," by J. Frank Davis will be the opening production of the coming season by the California Western University Players.

This will be presented in the Little Theatre of Salomon Hall on the evenings of Nov. 8, 9 and 10, and the following week-end of Nov. 16 and 17.

This play written by a retired newspaperman, a resident of San Antonio, Tex., was first produced in that city in 1930. It has proved justly popular ever since with community theatre groups all over the country.

Davis took many familiar lines from the old melodramas, such as "You may sneer, but beneath this flannel shirt there beats an honest heart," and "Rags are royal raiment when worn for virtue's sake."

There is a prologue in which the speaker urges the audience to applaud the hero and hiss the villain, and take pity on the poor heroine who may be a trifle dumb but is as pure as snow. The prologue will be spoken by Gene Kenny.

This will be the first of four productions planned by the California Western University Players for the coming season. Patron memberships for the year are $5, and may be obtained from the Patron Committee, composed of Mrs. Gladys Archibald, Mrs. Alice Joy Keith, Mrs .Oscar Knauer, Mrs. Mabel Wilder, Mrs. Frances Witkowski, Mrs. Oren Weller and Jim Peterson.

HEALTH FOR ALL

Did you ever stop to think how many Americans are treated in general hospitals each year? About 70 million! Of these about 20 million are "inpatients," actually housed at the hospital during their illness, while the rest are "outpatients" who come to the hospital for treatment but do not remain. One way or the other we all have a good chance of becoming customers of these great American institutions.

The hospital is not only a good place to be treated for illnesses we know we have but also a place where we can reassure ourselves about illnesses we might not know about, such as tuberculosis, which often gives no warning and produces no early symptoms.

Because a chest X-ray helps discover tuberculosis and other chest ailments, many hospitals offer their "customers" a chest X-ray on admission. Each year more and more hospitals are becoming convinced that these "admission" X-rays have great value in protecting both the patient and the community.

In most cases the X-ray will show nothing and then the patient has the peace of mind that comes from knowing that he is free of tuberculosis or other chest abnormalities.

In the few cases in which tuberculosis will be discovered, the patient has a much better chance for recovery because his disease can be treated promptly. Moreover, every time a hospital X-ray discovers a case of tuberculosis, the individual's family, his friends, and the entire community are protected from possible infection.

So, if you should be one of the millions of Americans who will go to a hospital for treatment sometime during the next 12 months, remember that a chest X-ray at the hospital is for your own protection.

THE BEST OF RIDES—FOR FOLKS OR FREIGHT

WHAT'S DOING

J. L. Webb, your Telephone Manager in San Diego

He found phones wherever he went

Recently, Mr. Bill Brown and his family took an auto trip to attend a business conference. After he returned, he sat down and wrote us a letter saying: *"The new modern roadside telephone booths were one of the most useful conveniences we found. They are everywhere, even out in state parks away from city populations. They saved us hours of time and eliminated so much of the annoyance of waiting."* Right you are, Mr. Brown. When you're away from home and have a call to make just look for that familiar Bell emblem. It means there's a phone handy.

* * * * *

Where were you when that call came in?

The last time the telephone rang in your home, where were you? Cooking dinner in the kitchen, doing up that blouse in the sewing room or out in the workshop finishing up that chair? Wouldn't it have been swell just to reach out and answer the phone instead of rushing halfway through the house to get the call? Telephones in the rooms you use a lot are convenient. The cost is $1.00 a month for each one after a single installation charge. You can call us today and make yours a telephone-convenient home.

Lieutenant-Governor

POWERS

"I cannot conscientiously recommend a 'Yes' vote to the people on this highly technical and controversial measure ...Because of my familiarity with the many technical problems involved in providing the proper conservation of our oil and gas resources, I shall vote 'No' on Proposition 4." *Lieutenant-Governor Harold J. Powers.*

Attorney General

BROWN

"I am going to vote against the proposition because it is, I believe, unwise to by-pass the legislative process in such a complex and controversial matter." *Attorney General Edmund G. Brown.*

Assemblyman

MILLER

"I believe in the theory and principle of conservation, but there are so many possible legal interpretations of many provisions of this measure, that I do not believe it should be fixed into law by the initiative method where it will not be amendable by the Legislature." *Allen Miller, Chairman, the Assembly sub-committee on tidelands.*

BAKING—Members of the Peninsula Woman's Club in one of their community projects. Left to right are Mrs. David F. Curtis, president; Mrs. John Landis and Mrs. Arthur O'Leary.

Peninsula Woman's Club Active

"It seems as if we're baking every week for one or another of our community projects," said a member of the Peninsula Woman's Club. "We are really getting to be an expert."

The group will assist in a food booth at the Door of Hope's Bazaar, Saturday, Oct. 27.

For two years the club won the California Federation of Woman's clubs' awards for community service in the field of mental health. This year they are setting up a Teenage Center for the mentally retarded. Proceeds from a fashion show scheduled for April will benefit this project.

The awards were won when the Peninsula Women were organized as the Ocean Beach Juniors. They withdrew from the parent organization, the Ocean Beach Seniors, and reorganized to represent the Point Loma area as well as Ocean Beach.

Among some of the club's projects are: gift wrapping for servicemen, Musical Merit Foundation, Red Cross, Community Chest, Door of Hope, and the mentally retarded.

At present the Peninsula Woman's Club is investigating the possibilities of building a community swimming pool for the Peninsula area. Their theme is "Build a Better Community," and their motto is "Unified for Greater Accomplishments."

The club officers include Mrs. David F. Curtis, president; Mrs. Fred Foster, first vice president; Mrs. Arthur O'Leary, second vice-president; Mrs. Harry M. Dort, third vice president; Mrs. James B. Still, recording secretary; Mrs. William Droege, corresponding secretary; Mrs. Arthur Stanten, treasurer and Mrs. Ralph Tarr, auditor.

Kathleen Clapp is serving as decorations chairman for this tea, which is being given by the Kiwiton group for their parents. Judy Grieber and Suzanne Lester will be chairmen of food and program respectively.

Members receiving honor beads include Ellen Gould, Loraine Maloney, Louise Hogan, Nancy Teudt and the tea chairmen. Mmes. E. G. Gould and Arthur Jessop are guardians.

Adult Art Group To Be Entertained

Members of the Midway Adult Center Art Group will be entertained Friday, Oct. 26 from 10 a. m. to 2:30 p.m. by Mrs. Marguerite W. Weems, 5537 Redlands Dr., San Diego.

Anyone interested in studying paintings or drawing is invited to join the class.

To get to Mrs. Weems' address, take El Cajon Blvd. to 56th St., and turn left on Redlands Dr.

Padre Puppeteers Invite Cub Scouts

The Padre Puppeteers are inviting all cub scouts to be their guests at the Puppet Theatre in Balboa Park Saturday, Oct. 27 at 1 p.m.

October has been Puppet Month for the cub scouts. Mrs. Genevieve Engman and Mrs. Marie Hitchcock are giving their special performance because of many requests from den mothers and scout masters. The Park and Recreation Dep't. has loaned the Puppet Theatre for the event and admission is free.

A mystery play, "The Case of the Curious Clown," will be shown. After the performance, a question and answer session on puppetry will be held.

Attractive House Design

EXTERIOR design of a house being as important as the interior, architects and builders are giving special attention to it nowadays. One reason is that buyers like a distinctive house that sets it aside from others in the same neighborhood.

Until recently, there was little variety of design possible with conventional materials. Now

there are some fine combinations made possible by a selection of exterior sidings offered in Masonite Presdwood. Since these are available in various forms and patterns, many discriminating builders, architects and owners are specifying them because of their beauty, relatively low cost, durability and unusual paint holding qualities.

The illustration aptly demonstrates how effective various types of the same versatile Presdwood can be in the design of a home. At the left may be seen Masonite Shadowvent Siding, applied horizontally. No nailing through the boards is required. Walls at the right are attractive sheets of Panelgroove, used by architects to "balance" the long, low sweep of roof lines. A continuous pattern of vertical grooves is offered, as the edges are shiplapped and do not show.

Covering the porch ceiling and [illegible] are Panelwood sheets

don't run out of gas!
California isn't producing enough oil to supply its own autos, its farms, its industries—or its share of the Nation's defense needs.
We are running out of gas! Why?
Because today selfish operators with no regard for the public welfare are blocking modern conservation methods that the entire oil industry knows will double California's oil recovery.
A selfish minority is sabotaging YOUR gas supply ... keeping the State of California from harvesting billions of dollars in State oil revenues that could pay —tax free as far as you're concerned—for our new water program and many other needed public services.
"THE LARGEST STAKE IS YOURS AND MINE" —STATE CONTROLLER
"In Long Beach alone the entire State stands to benefit by hundreds of millions of dollars in added income under PROPOSITION 4.
"Without unitization ... these new riches will be lost. You and I—as citizen landowners—hold the largest stake by far in the proper oil development of our State."
ROBERT C. KIRKWOOD, State Controller, chief elective fiscal officer for California
PROPOSITION 4 GIVES CALIFORNIA ...
- A 12 billion dollar increase in economic wealth.
- New jobs and 2 billion dollars in new paychecks.
- A new supply of 4 billion barrels of oil—for our cars, our planes, our industrial machines.
- A secure source of oil for our National defense.

Mildred Lamb Of Pt. Loma To Sing In Opera Climaxing Concert Series

Season tickets to the San Diego Symphony's 1957 Children's Concert Series are available through all San Diego city, county, parochial and private schools, Mrs. Ira Wilson, Children's Concert Committee chairman, announced this week.

The tickets are in the form of a souvenir booklet with an original cover especially designed for the occasion by Dr. Seuss. The booklet also contains program notes on the concerts by Dr. Alex Zimmerman, music director of San Diego City Schools and concert commentator, as well as notes on concert etiquette, an orchestra seating chart and photos of concert principals.

The concerts will be held Saturday, 8:30 a.m. at Russ Auditorium beginning Jan. 19, and continuing Feb. 16, March 30 and April 27.

An innovation this year, Mrs. Wilson said, will be the establishing of themes for the concerts. For instance, the first concert will concentrate on music and ballet and will include Borodin's "Polovtsian Dances," Tchaikovsky's "Sleeping Beauty Waltz," Gounod's "Ballet Music from Faust," Copeland's "Billy the Kid" and de Falla's "Ritual Fire Dance."

Climax of the season will be the presentation April 27, during Public Schools Deek, of Mary Elizabeth Caldwell's children's opera "Pepito's Golden Flower."

Pepito will be offered in cooperation with the San Diego Junior League and the San Diego Opera Guilld. John Powell and Mildred Lamb, both veterans of seven years Starlight Opera experience, will play the padre and Pepito, respectively.

"The children's concert series is aimed at students in the fourth, fifth, sixth and seventh grades," Mrs. Wilson said.

WHO'S NEW ON POINT LOMA

1956 has found more and more San Diego families shifting around town, with more and more coming to the Point, not only for the cool climate but for the attractive neighborhoods it offers.

Mr. and Mrs. H. D. Weckerly have lived in Mission Hills several years, but chose Loma Portal when they decided it was time to have a new home. They have been busy cultivating a rose garden at their new address in the 2900 block of Chatsworth Blvd. Mr. Weckerly is owner of a local sheet metal works company.

Another Mission Hills family, Mr. and Mrs. S. C. Walter and their daughter, Wendy, 4, have bought in the 3400 block of Quimby St. They have a hillside home with a view of the bay. Mr. Walter is an engineer for a local aircraft company. Mrs. Walter teaches in the Adult Education Department.

From La Jolla come Mr. and Mrs. Douglas Young, who sold their home there and have leased a house high up on a hill on the Point. Their new address is in the 3300 block of Hugo St. Mr. Young is the retired president of a local dairy.

Enjoying the freedom of their new home with its "country atmosphere," are Richard, 8, and Steven, 6, sons of Mr. and Mrs. S. C. Ziswasser, who have bought in the 3500 block of Charles St. The whole family is having fun redecorating the new home. The boys will attend Cabrillo.

Happy with the climate here are newcomers from Glenview, Ill., Mr .and Mrs. G. P. Rigsby and their two sons, Marshall, 11, and David, 3. They have bought a Fleetridge home with a swimming pool, in the 1400 block of Carleton Square. Mr. Rigsby is a research scientist (glacierologist)) for the Navy Electronics Laboratory.

Albuquerque, N. M. was the former address of Mr. and Mrs. C. W. McNair and their daughter, Patricia, 2. They have taken a house in the 3700 block of Udal St. Mr. McNair is an engineering writer for a local aircraft company.

Mr. and Mrs. L. A. Wallis, of 3968 Xenophon St., have bought a home in the 1900 block of Capistrano St. Their son, Ronnie, 14, attends Dana Junior High School.

City Bridge Engineer and Mrs. James P. Casey, of Sacramento, have bought the big family home of Howard Reagen, in the 1000 block of Calaveras St. They have four children, Patrick, 5; Dennis, 4; Tim, 2, and Sheila, 1. The Howard Reagens moved to Seattle.

O.B. Woman's Club

By MARIAN KRETTLER

Following the two-day rummage sale. the Ocean Beach Woman's club extends heartfelt thanks for the fine patronage received from our citizens. Those good people waited in line before the doors opened and this writer never saw such an array of desirable items.

Going over just to look around at the activities of our club women, she was so fascinated by the business of the impromptu salesgirls, that she stuck around for an hour.

Under the leadership of the terrific president, Fannie Planson, and the chairmanship of Mrs. John Murt, the sale netted a tidy sum towards fufilling Fannie's dream, a modernized kitchen for the Woman's Clubhouse. Wish all the members who worked endlessly could be named, but space forbids. Another (next year's) event like the one just ended, and the kitchen deal will be in the bag.

If those Ocean Beach club members weren't so generous in giving to worthy civic appeals, and so interested, probably the modernized kitchen would already be a reality.

Bethany Lutheran In Reformation Festival Sunday

Bethany Lutheran Church at 2040 Sunset Cliffs will participate in the Third Annual Reformation Festival of the Lutheran Church, Missouri Synod, at 3 p.m. Sunday, Oct. 28 in the Palm Room of U. S. Grant Hotel.

Members of the local Church will blend their voices for the festival with the prominent Lutheran Oratorio Society. One of the selections will be the famous Reformation Battle Hymn, "A Mighty Fortress is Our God." The Sunday School children of Bethany Lutheran Church will also participate in the Junior Chorus.

The speaker will be the Rev. Norbert C. Mueller, pastor of Bethany Lutheran Church in Long Beach, one of the largest Lutheran Churches on the West Coast, consisting of over 2,000 members.

The Reformation Festival will mark the beginning of an intensive evangelistic campaign in the local area on the part of Bethany Lutheran Church to reach those who have not yet found a church they can call their home.
